

AboitizPower

Building Energy Security Through Innovation

Joseph Lacson
Chief Investments Officer, AboitizPower

26 January 2023

Our Purpose

Transforming Energy for a Better World

Our Businesses

POWER GENERATION

AboitizPower harnesses power from a balanced mix portfolio of renewable and thermal sources through its generation facilities across the Philippines, to energize the country with reliable, reasonably priced, and responsible energy.

POWER DISTRIBUTION

AboitizPower owns eight distribution companies, including the second and third largest private utilities in the country. It has more than 80 years of experience in the Philippine power distribution sector and has been known for innovative and efficient operations.

DISTRIBUTED ENERGY

Aboitiz Power Distributed Energy, Inc. (APX) is AboitizPower's business unit engaged in medium to large-scale behind-the-meter solar power installations.

RETAIL ELECTRICITY SERVICES

AboitizPower ensures competitive supply of electricity at the retail level in support of Open Access, while providing energy solutions, power quality and efficiency audits, and other value-added services to its customers.

10-year growth strategy

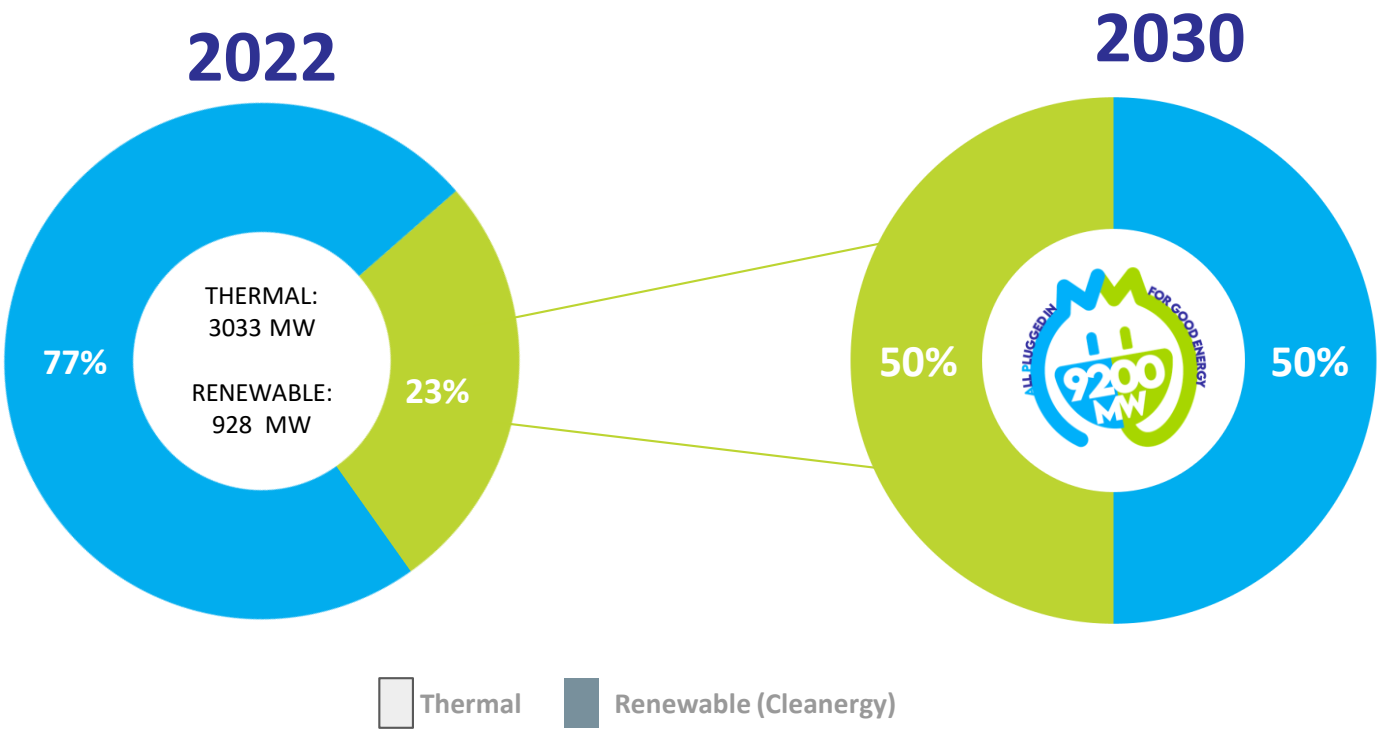
9,200

CLEANERGY 50 50 THERMAL

4,600 MW of Cleanergy by 2030

We are actively seeking opportunities to

grow our renewable portfolio to a 50:50 balanced mix by 2030.



We seek a **predictable, de-risked, and investable energy system will benefit the consumer** through a **four-point wishlist**

A responsible energy transition

All options on the table

A well-functioning transmission system

Addressing the energy trilemma
