More on my background…

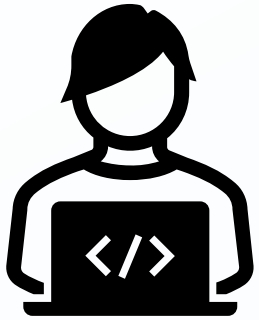

© 2023 eCloudvalley Digital Technology Co.,Ltd. or its affiliates All Rights Reserved

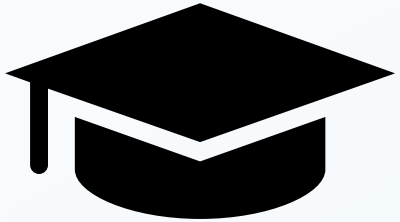

We asked our student audience at a recent event…

Do you love programming?

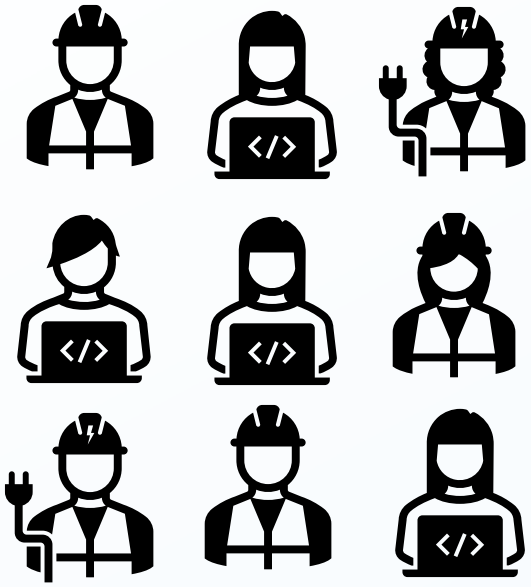

Do you believe your city has enough infrastructure to become an IT hub?

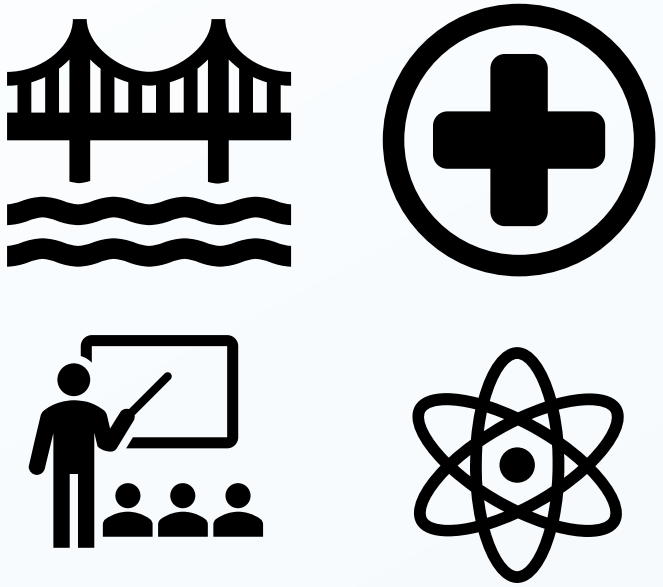

Will you stay in your city after you graduate?

© 2023 eCloudvalley Digital Technology Co.,Ltd. or its affiliates All Rights Reserved

Why does this trend worry me?

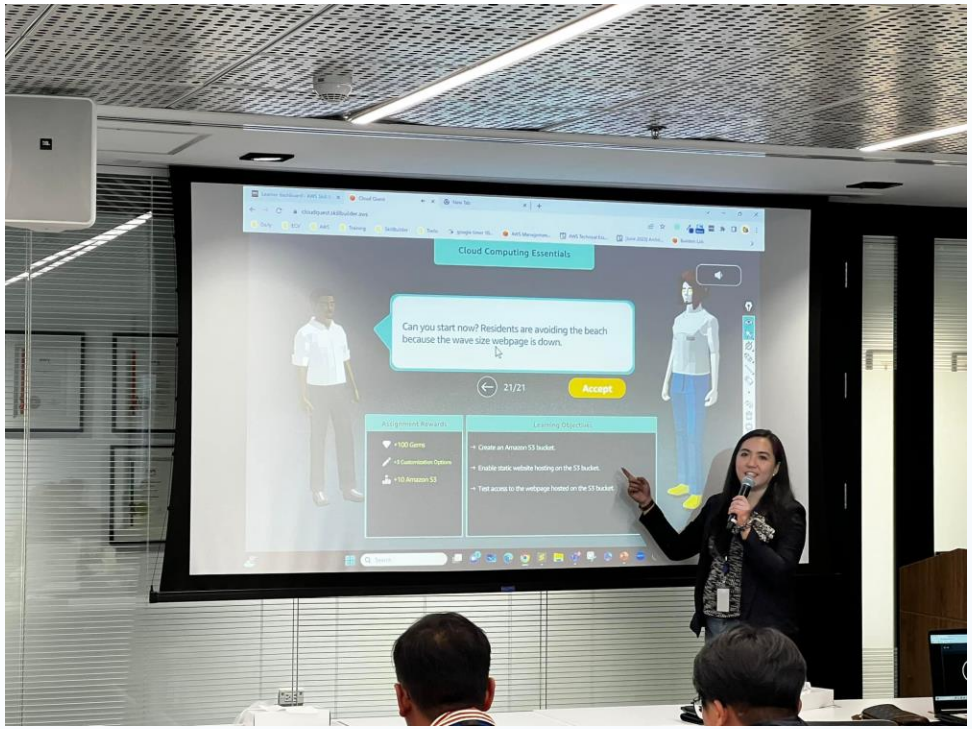

The more knowledge workers we have in our smaller cities

The faster we can solve our biggest problems – and the faster we can lift millions out of poverty
