Beyond the Numbers: Philippine Economic Trajectory 2024-2025

"We're not just growing an economy - we're building our future"

Growth Story

5.6% Growth in 2024

> *"GDP numbers are like social media profiles – they don't tell the whole story"*

Policy Balance

BSP Rate: 5.75%

> *"Putting our money where our monsoons are"*

Strategic Future

Digital + Climate Resilience

> *"An economy that works only for some ultimately works for none"*

Key Imperatives for 2025

- Inclusive Growth Focus
- Climate Resilience Integration
- Digital Foundation Building
