displaced

>30%
of animals and plants face extinction

#1
country most at risk from climate crisis

Sample Programs

Powering The Good Life addresses 4 pillars

POWER

Providing energy for all, always

Long-term Sustainability Strategy

Just, orderly, and affordable transition to clean energy

PLANET

Protecting and preserving Mother Earth

Green Mobility

Electrification of Meralco's vehicle fleet

PEOPLE

Nurturing people from within

#Mbrace

Diversity and inclusion (D&I)

PROSPERITY

Providing energy for all, always

One For Trees

Reforestation and livelihood program

We will continue
Powering the Good Life today
and for our children's tomorrow.
MERALCO

Meralco's Long-Term Sustainability Strategy

A just, orderly, and affordable transition to clean energy
as we drive to be coal-free by 2050

Horizon 1: 2021-30

INITIATE LOW-CARBON TRANSITION

Horizon 2: 2031-40

ADOPT CLEAN TECHNOLOGIES

Horizon 3: 2041-50

DRIVE DEEP DECARBONIZATION TO BECOME COAL-FREE

Promote well-being of communities with clean electricity as an enabler

- EDUCATION
- WATER ACCESS
- QUALITY HEALTHCARE
- LIVELIHOOD PRODUCTIVITY
- DISASTER RESILIENCE
